

REMARKS

Applicants respectfully requests reconsideration of the present application in view of the foregoing amendments and the following commentary.

I. Status of the Claims

Claims 2 and 11-12 were previously cancelled. Claim 3 has been amended to delete multiple dependency. Accordingly, claims 28-49 have been added to be dependent from claim 27. The original claims support these new claims. Claim 27 has been amended with exemplary support in the specification, at page 10, second paragraph.

Because the claim amendments are made to better conform with formality requirements and in keeping with the Examiner's suggestion, Applicants respectfully request entry of this amendment. Upon entry, claims 1, 3-10 and 13-49 will be pending.

II. Statement of Substance of Interview

Applicants thank Examiner Michele Joiike and Examiner Nancy Vogal for the courtesies extended during a telephone interview with Applicants' representative, Yang Tang, on August 28, 2007.

During the interview, the Examiners indicated that claims 3-10 and 13-26 would be allowable if they were amended to be dependent from allowed claim 1. Moreover, the Examiners agreed that amendments to claim 27 to recite the specific stringent conditions would be entered and place the claim in allowable condition.

III. Rejection of Claim 27 under 35 U.S.C. § 112, second paragraph

The Examiner rejected claim 27 and the claims dependent from claim 27 for alleged indefiniteness. Applicants respectfully traverse the rejection.

Specifically, the Examiner contends that claim 27 recites "stringent condition," which is deemed indefinite and requests that claim 27 be amended to incorporate the specific stringent condition. Accordingly, claim 27 has been amended with support in the specification, at page 10. Claims 28-49, which correspond to claims 3-10 and 13-26, have been added to be dependent from claim 27.

In view of the foregoing amendments, Applicants respectfully request withdrawal of rejection under section 112, second paragraph.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees, which may be required regarding this application under 37 CFR §§ 1.16-1.17, and to credit any overpayment to Deposit Account No. 19-0741. Should no proper payment accompany this response, then the Commissioner is authorized to charge the unpaid amount to the same deposit account. If any extensions are needed for timely acceptance of submitted papers, then Applicants hereby petition for such extension under 37 CFR §1.136 and authorize payment of the relevant fee(s) from the deposit account.
